<b>REVIEW</b>		2027

**AIM**

This policy provides a framework for the application of family discounts for club membership fees.

1. Corio Bay Rowing Club (the Club) shall provide a discounted membership for members of families where three or more family members are members of the Club.
2. All members of applicable families shall receive the family discount on their Club memberships.
3. The discount rate shall be 10% (or such other figure as the General Committee may decide from time to time).
4. Applicable families are those where there are three (3) or more family members as members of the Club, where such family members comprise one or more parents together with one or more dependent children.
5. For the purposes of this policy, the term “parent” shall be taken to include any adult who has a supervisory role over the dependent child(ren).
6. The Treasurer and/or the Finance Subcommittee shall decide the eligibility of families under this Policy.
7. Any dispute arising shall be decided by the General Committee.
